

We believe in the importance of being able to control who gets what information. This not only means you want your coworker to have your work email, and your friend to have your personal phone number, but it also means there are people who shouldn't have any of your information.

Orbit Network Technology Ltd. ("us", "we", or "our") operates the <https://orbit900.com> website (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Orbit Network Technology Ltd. organizes and provides efficient means to access and receive updates regarding your contacts, and to share your own information with your contacts. Our service may additionally connect with third party software platforms which you have authorized to connect ("**Third Party Platforms**").

Definitions

Service

Service means the <https://orbit900.com> website.

Personal Data

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Usage Data

Usage data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

Cookies

Cookies are small files stored on your device (computer or mobile device).

Data Controller

Data Controller means the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Processor of your Personal Data.

We may use the services of various Service Providers in order to process your data more effectively.

Data Subject (or User)

Data Subject is any living individual who is using our Service and is the subject of Personal Data.

Information Collection and Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, you may provide us with, or we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you (“Personal Data”). Personally identifiable information may include, but is not limited to:

Email address

First name and last name

Phone number

Address, State, Province, ZIP/Postal code, City, Country.

Work related information such as company, job title and work contact information

Image files such as your profile image, and paper business cards

Cookies and Usage Data

We may use your Personal Data to contact you with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or the instructions provided in any email we send.

We use the information also to enable you to share Personal Information and connect to and communicate with other users, to provide our Service or information you request, and to process and complete any transactions, to send you confirmations, updates, security alerts, and support and administrative messages and otherwise facilitate your use of, and our administration and operation of, our Service and to contact you about the Service in which you have expressed interest or that might be of interest to you.

Usage Data

We may also collect information that your browser sends whenever you visit our Service or when you access the Service by or through a mobile device (“Usage Data”).

This Usage Data may include information such as your computer's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When you access the Service with a mobile device, this Usage Data may include information such as the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data.

Location Data

We may use and store information about your location if you give us permission to do so ("Location Data"). We use this data to provide features of our Service, to improve and customise our Service.

You can enable or disable location services when you use our Service at any time by way of your device settings.

Tracking Cookies Data

To make our Service work properly, we sometimes place small data files called cookies on your devices. The overwhelming majority of websites do this too.

Use of Data

Orbit Network Technology Ltd. uses the collected data for various purposes:

- To provide and maintain our Service.
- To notify you about changes to our Service.
- To allow you to participate in interactive features of our Service when you choose to do so.
- To provide customer support.
- To gather analysis or valuable information so that we can improve our Service.
- To monitor the usage of our Service.
- To detect, prevent and address technical issues.

Legal Basis for Processing Personal Data

Orbit Network Technology Ltd. legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it.

We may process your Personal Data because:

- We need to perform a contract with you
- You have given us permission to do so
- The processing is in our legitimate interests and it is not overridden by your rights
- For payment processing purposes
- To comply with the law

Retention of Data

Orbit Network Technology Ltd. will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes and enforce our legal agreements and policies.

We also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer periods.

Transfer of Data

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Orbit Network Technology Ltd. will take all the steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure of Data

Business Transaction

If Orbit Network Technology Ltd. is involved in a merger, acquisition or asset sale, your Personal Data may be transferred. We will provide notice before your Personal Data is transferred and becomes subject to a different Privacy Policy.

Disclosure for Law Enforcement

Under certain circumstances, we may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

User Communications

You may choose to provide us with another person's email address so that person may be invited to create an account on our Service. By providing us with another person's email address, you represent to us that you have obtained the consent of the person concerned as regards such disclosure to us of that email address. We may disclose such information if required to do so in order to comply with legal process, as described above.

Legal Requirements

Orbit Network Technology Ltd. may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of Orbit Network Technology Ltd.
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

Security of Data

The security of your data is important to us but remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Service Providers

We may employ third party companies and individuals to facilitate our Service (“Service Providers”), provide the Service on our behalf, perform Service-related services or assist us in analysing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Service Providers to monitor and analyse the use of our Service.

Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualise and personalise the ads of its own advertising network.

For more information on the privacy practices of Google, please visit the Google Privacy Terms web page: <https://policies.google.com/privacy?hl=en>

Payments

We may provide paid products and/or services within the Service. In that case, we use third-party services for payment processing (e.g. payment processors).

We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy. These payment processors adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of payment information.

The payment processors we work with are:

- Paypal

Children's Privacy

Our Service does not address anyone under the age of 18 ("Children").

We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your Child has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

Your Rights: Reviewing, Changing or Deleting your Information

You may review, update, correct or delete the Personal Information in your account from within the Service itself or by contacting us. You also authorize us, on your behalf, and in accordance with your account preferences to delete information when not reasonably needed for the Service. If you have shared your Personal or Other Information with others and they have not deleted it, or it was copied or stored by other users, Orbit Network Technology Ltd. will not be obligated to delete such information.
